

Dear RCL Members,

Every year I say the same thing. It is so sad to see another summer come to an end. It was a fun summer for all. The participation of all of our activities was great, from the picnic to the movies, bingo and the pizza party. How lucky did we get the day of the pizza party? The rain held off just until we were all packed up.

I want to send a special Thank You to all of our board members. They volunteer their time and work tirelessly to make our community a better place. They are always looking out for the good of the lake.

I also would like to send a special Thank You to the following for their generous donations to upgrade our road signs. Thank you!

Kevin and Leslie Vonderkall

Ralph and Paula Warner

Dean Tine

Cindy Albert

Don and Jane Akowitz

Andy and MaryJane Montz

Robert and Honey Ragaglia

Jim and Rita Sullivan

Mike and Linda Rubin

Robert Ciotto

Ashley Withers

Tom and Bonnie Corto

Mike and Lynda Albert

Thank you for your support. These signs look great.

The board will continue to work the last remaining Bylaw recommendations over the winter. We will try our best to have everything completed by spring. Upon completion of this project we will be fully compliant with CIOA law. Stay tuned for more information.

In order to address our survey results, I am looking to form two special committees. One for the Beautification of the lake and the other for whether or not we adopt rules and what those rules may entail. I would like each committee to have five members. It would be ideal if we can get a mix of long term residents and some of our newer members. Please consider volunteering and be a part of what our future will be. I am aware the word "rule" makes many members concerned. Let me be clear, no rule will be adopted without a vote of the majority of our membership. Please email me if you can volunteer for either of these committees.

Just a few reminders.

Please remove all kayaks from the rack on little beach no later than November 17<sup>th</sup>. Any kayak left after that date will have the locks cut and the kayak will be placed on the ground.

Our last trash pickup for the season will be October 16<sup>th</sup>.

The swim dock will be removed before the end of October.

Please remember to consider adding an additional \$25.00 or more to your next year dues so we can help beautify our lake. This money will be used solely for that purpose and is strictly voluntary.

I wish everyone a safe and healthy winter and look forward to next spring.

For anyone that does not have my contact information, I can be reached at (860) 817-5698. My email is [albertma122@yahoo.com](mailto:albertma122@yahoo.com)
